

Langaran River “Napisik River”

Here in Misamis Occidental there are lots of beautiful places to visit wherein your family can enjoy. Good example for it is the Langaran River or so-called “Napisik River”. This river can be found in Sulipat Calamba, Misamis Occidental. Langaran River is known to its harmonic and paradise place. It is the perfect view for everybody’s bonding place. Many people visits there for their fun time.

Langaran River contains clean water that can be used for washing clothes. People prefer to go have their swimming experience in the river. People have picnics, taping project for school and most of all bonding between each other. Langaran River is the place because it has no fees at all. Many people also get fishes on that river for their foods. People nearby get their work and income in the river. It contains huge rocks, stones and sand that is used to make cement for building a house.

Well in the picture it has no bridge but above it was a bridge used for transportation in going to Oroquieta City. Langaran River also is not far from other places because you can just hike for it. However, if you lend to ride it is not also expensive but affordable. Most of all, Langaran River is perfect for everyone because it is less money, less time and less effort.
